

How Craft Shows Can Work For Your Business...

Reach thousands of potential customers at these one day events!

We have been successfully producing Craft Shows in the area since 1984. Our shows include the ever-popular country crafts, folk art, furniture, dolls, jewelry, clothing, pottery, and fine arts with wall-to-wall displays.

The Craft Show industry is a \$14 billion dollar industry. Customers are out at these events spending money. Get your product or service out in front of this important target audience.

Our Craft Shows are multi-media promotions, using not only the power of our three Radio Stations, but Newspaper, Periodicals, Trade Magazines, and Direct Mail. Crafter participation will range from approximately 50-75 Crafters for our Outdoor Events to 150-250 Crafters for our Easter and Christmas Shows.

These shows offer a great opportunity to get your product in the hands of thousands of "craft fans". Take advantage of the very lucrative Craft Show market for your business.
